

# PP1 “Dixie’s Doggy Daycare”

This website will promote Dixie’s Doggy Daycare, a dog daycare centre with appealing surroundings and facilities.

The site will contain an application form for interested dog owners, a form where current customers can do a temporary change of schedule and also a place for the day care owner to post upcoming events.

The benefit of the website for the daycare owner is a possibility to promote the daycare centre, but it also provides a way of communicating with the dog owners.

Interested dog owners can easily assimilate relevant information about the centre and submit an application.

Current dog owners benefit from being able to easily report changes in their schedule.

## Features:

- Short presentation (Home)
- What’s up. (Home)
- Change schedule form. (Popup in Header?, Link?)
- Thorough presentation with some nice pictures. (About Us)
- “Find us here” - map. (About us)
- Application form. (Application Form)
- Contacts. (Footer)
- Links to Facebook, Twitter.... (Footer)

## Future Features:

- Calendar.
- FAQ
- References

## Features further in the future:

- An advanced tool for communication between the daycare owner and dog owners, where the dog owner can log in and e.g. find reports and pictures of the dog’s day and also add comments.

# About Us

Dixie's is a small-scale daycare centre situated on the outskirts of Swindon. There are several access roads which make it easy for you to get here by car. Several parks, where we spend a lot of time, are within walking distance.

We have a limit of maximum fifteen enrolled dogs. Therefore the staff knows all the dogs personalities and your dog will be surrounded by professionals who can meet it's special needs.

Safety is Dixie's highest priority. You should feel confident that we do our best at all times, to ensure your dog's safety. The staff who work at Dixie's all have many years experience of caring for dogs.

Being at a doggy daycare should also be fun! When your dog has been schooled at Dixie's we soon find out who his/her best furry friends are. From that day on your dog gets supervised playtime with a good friend every day.

Every day we go for long walks in the park, how many walks depends on your dogs' hours and if any other special activities are going on that day. You can always check in on this homepage to see upcoming events.

Dixie's Doggy Daycare is always manned during opening hours, therefore you can specify your leave and pick up schedule to fit your needs entirely.

Unexpected things sometimes happen and when they do, use our simple tool in the navigation bar of this homepage to easily change your schedule and notify us about your situation.

Opening hours: Monday thru Friday 6:00-19:00.

Weekends and bank holidays: Open on request.

The prize is individually determined depending on your dog's attendance. A full day costs £25 but a discount is available for dogs coming 5 days a week and for owners with more than one dog.
